The Geological Society of Estonia cordially invites earth scientists worldwide to attend the 15th Meeting of the Association of European Geological Societies (MAEGS-15), to be held in Tallinn, Estonia, in 2007.

Technical sessions of the conference are scheduled for 16–18 September 2007. Selected keynote speakers, and both oral and poster presentations are planned. Abstracts of presentations will be published in abstract volume and a thematic issue of papers of the conference will be published in an international geological journal in 2008. **The two-days post-conference excursion** on 19–20 September 2007 to northeastern and western Estonia aims at demonstrating the outlines of Estonia's geology and main georesources.

Regular conference fee (paid until 31 May 2007) will be EUR 150. It includes access to all sessions, abstract volume, coffee-breaks, lunches, excursion field guide and the ice breaker party. The two-days excursion will cost EUR 100, covering transport, lunches and museum tickets.

Online registration form and further information can be found at the conference website at www.maegs15.org. Should you have any questions, please do not hesitate to contact the organisers by e-mail maegs15@maegs15.org or call +3725054823.
